

OVERBERG WINE WALK

These walking trails are designed for those who enjoy walking at a leisurely pace in natural environments, who appreciate award-winning wines and great food in unique settings. The Hemel & Aarde Valley lends itself to this magical experience. Many of the wine estates owners in the valley have partnered with the conservation sector –WWF-SA’s Biodiversity & Wine Initiative with the aim of preserving and regenerating biodiversity in the Cape Floral Kingdom. These threatened remnants of fynbos are the corridors of floral splendour we explore on our journey.
